SCHEDULE 4

Fraud Shield Terms and Conditions

Please pay special attention to these clauses below as it may have specific consequences for you and limits our liability.

1. Relationship to the Agreement

These Fraud Shield Terms and Conditions (the "Fraud Shield Terms") are incorporated into and form part of your Agreement with us. The Fraud Shield Services is a "Services" for the purposes of your Agreement with us. With respect to the Fraud Shield Services, these Fraud Shield Terms will prevail to the extent they conflict with your Agreement with us. Where a capitalized term is used but not defined in these Fraud Shield Terms, it has the meaning given in the Agreement with us.

The availability of the Fraud Shield Services is tied to, and contingent upon, your use of our other Services. On full payment of the Fees, the Fraud Shield Services will offer you reimbursement for certain Covered Chargeback amounts and certain associated fees, on the terms set out in Sections 2 to 7 of these Fraud Shield Terms and your Agreement.

2. Covered Chargebacks

On full payment of the Fees, we will not hold you responsible for the amount of the Covered Chargeback, for any associated Covered Chargeback fees, or for any fines imposed on us by the Card Schemes, subject to the Protection Limit as described on our website or your Dashboard or via email to you. Protection Limit, as amended by us from time to time, is a fixed amount that will be communicated to you.

We may elect to challenge a Covered Chargeback on your behalf, in which case we will communicate with third parties (including the Card Schemes) for this purpose. Your protection is not affected by whether or not we challenge (successfully or not) a Covered Chargeback. If we successfully challenge a Covered Chargeback, you are not entitled to any proceeds or refunded amounts that we receive from the Card Scheme following the challenge.

The Fraud Shield Services is designed to help you reduce the number of Chargebacks that you receive while using the Services. However, you should be aware that Chargeback rates are tracked by the Card Schemes, and that for the purpose of this tracking all of your Chargebacks will be attributed to you (including Chargebacks on Covered Chargebacks). If you exceed the acceptable Chargeback rates specified by the Card Schemes, you may be placed into one or more monitoring programs. If you are using the Fraud Shield Services, and we identify that you are at risk of being placed in a monitoring program, we may require you to promptly take remedial actions (as specified by us) to reduce your Chargeback rate.

3. New Merchants

If you are a New Merchant, and we have activated your access to the Fraud Shield Services, we will not pay you the amount for Covered Chargebacks during the Evaluation Period. Instead, we will hold these amounts, and only pay them to you once you have successfully passed our internal control processes, including our processes related to credit and fraud risk. We may extend the Evaluation Period based on certain criteria determined by us. If during the Evaluation Period these criteria are not met, then these Fraud Shield Terms will automatically terminate, and you will not be entitled any amounts held by us (or otherwise owed to you) with respect to Covered Chargebacks.

4. Your Responsibility

As and when it is provided by us, it is your responsibility to accept the latest version of the software on the POS Terminal.

For each Transaction, the Fraud Shield Services will use machine learning technology to initially calculate the likelihood of the Fraud Chargeback or Service Chargeback, based upon fraud analytics and detection tools. If the likelihood of a Transaction being Covered Chargeback is less than a predetermined threshold (set by us), then we will allow the Transaction to proceed. If such Transactions results in a Covered Chargeback, we will not hold you responsible for the amount of the Covered Chargeback.

If the Covered Chargeback exceeds the predetermined threshold, we may give you the ability to tell us that the Transaction should proceed. If we provide you with this ability, and you tell us, or have told us, to proceed with the Transaction, then the Transaction will no longer be protected and Section 2 will not apply, and you will remain fully responsible and liable to us if Transaction is subject to a Covered Chargeback.

The Fraud Shield Services is most effective when it is able to see all of your Transactions. You agree to submit all the Transactions relating to your business exclusively through us. In addition, you must not, and you are prohibited from, selectively routing your Transaction so that you route your higher-risk Transactions to the Fraud Shield Services provided by us. If we believe that you are engaging in such selective routing, we may require you to provide us with a detailed description of your routing logic. If we subsequently determine that you have engaged in discriminatory routing, we may hold you responsible for Covered Chargebacks (and associated fees and fines).

We may also hold you responsible for a Covered Chargeback if: (a) you are in breach of these Fraud Shield Terms or your Agreement with us, (b) you provide us with inaccurate or incomplete information for a Covered Chargeback or where it is an illegitimate claim for Covered Chargeback (as determined by us), (c) the Covered Chargeback exceeds the Protection Limit, as described in Section 2; (d) you are a New Merchant, as described in Section 3, or (e) the Covered Chargeback occurred before the date on which we activated your access to the Fraud Shield Services, or after the date on which these Fraud Shield Terms expire or are terminated, or (f) when the Transaction was Reversed or Refunded by you.

In addition to any other provision of these Fraud Shield Terms or your Agreement with us, you expressly agree that you will not use the Fraud Shield Services for any purpose, function, or feature not described to you by us. You also expressly agree that you will follow all best practices identified in our communication from time to time for the Fraud Shield Services.

5. Fees

We will provide the Fraud Shield Services to you for the Fees communicated to you via email. We will automatically deduct the Fees from your Settlement Funds. We will have the right to amend the Fees from time to time. Any such change will be communicated to you in writing.

6. Term and Termination

These Fraud Shield Terms commence when we confirm your enrollment in the Fraud Shield Services via the Dashboard or email, or on the date of your first Covered Chargeback (whichever occurs first) and continue unless terminated earlier by a party as provided in this Section 9 or pursuant to your Agreement with us. Your enrollment in the Fraud Shield Services does not mean that your use of the product is activated. We will notify you (via the Dashboard or email) when we activate your access to the Fraud Shield Services, and we may delay or deny activation for any reason.

Either you or us may terminate your access to the Fraud Shield Services at any time and for any reason by providing notice to the other party. Termination of Fraud Shield Services will not result in termination of the other Services under the Agreement. Your access to the Fraud Shield Services may be automatically suspended if we suspend your use of any of the Services as provided in your Agreement with us. These Fraud Shield Terms will automatically terminate if your Agreement with us is terminated. If you terminate the Fraud Shield Services within six (6) months of enrollment, you will be entitled to a full refund of Fees paid. If you terminate the Fraud Shield Services after six (6) months of enrollment, you will be entitled to refund of Fees of that month in which you have requested for termination. Notwithstanding the above, you will not be entitled to any refund of Fees paid if you have terminated the Fraud Shield Services and have claimed or received Chargeback Protection from us or in case where we have terminated your enrollment in the Fraud Shield Services for any reason whatsoever.
